

PET SAFETY AND HANDLING

*All **dogs** entering the Resort must be on a leash and properly controlled while in the waiting area. Flexi-Leads are **NOT** recommended.

*We realize that accidents do happen. If your dog soils the waiting area or outside the front doors and you do not have a cleanup bag with you, please let us know!

*All **cats** must be in an appropriate cat carrier or on a secure harness or leash.

REQUIREMENTS

*All dogs must be up to date on their Bordetella, distemper, and rabies vaccinations as well as being spay neutered after being 5 months old.

*Call us now at 815-398-7387 for additional information.
